Fr. John Daley RIP – Funeral Mass on Thursday at 11.00am, St. Joseph's, Leicester

On the occasion of his golden jubilee, on 2nd July 2017, Father John wrote: "Today I celebrate 50 years of priesthood. Thank you for being here in your prayer, as are all those I would love to see today but who are here, also, in prayer...The beginnings in Cardiff, a happy family and good friends in our Welsh homeland and Irish Catholic community – these were the foundations of my life. A desire to live and serve God developed deep within me and I knew that would be my first choice if I were accepted. I was, and the Institute of Charity (the Rosminians, named after Antonio Rosmini, our founder) guided my vocation. They sent me to study at Cambridge University, to Rome, to Ratcliffe and Yorkshire, allowed me to go on loan to a missionary diocese on the edge of the Canadian wilderness, sent me to New Zealand to open our novitiate house, teach and preach retreats, brought me home to Newport in Wales, near family and friends then to Wisbech in East Anglia and finally to Leicester in 1990 where I have been very happy at St Theresa's and St Joseph's. Could anyone be more blessed, I wonder? I grew up Welsh and Irish, became proudly British...I simply wanted to be part of the human family. I had arrived. God had allowed me to experience what I might never have been able to understand. And all the time God was there. How much more happiness must I bear before God calls me home? Today, I thank God and everyone." Rest in peace

Thank you – from your priests for your Easter offering last weekend and for the many cards and greetings we received – it is much appreciated

New Financial arrangements in Earl Shilton – from this weekend the work previously carried out so assiduously by Lydia Sheahan will be undertaken in the Priory by our secretary, Mrs. Margaret Hare. A successor to our parish treasurer, Mr. Jim Tynan, has yet to be confirmed as also a chair for our Finance Committee, which meets this week. Thank you to those who contribute to our parishes by means of the planned giving envelopes or standing orders each week, and especially to those who gift aid their contribution, which is most helpful. Responsible generosity to the upkeep of our properties and the day to day running of our parishes in an increasingly difficult cost of living crisis, is something that all of us can think about and it is very much appreciated
