Safeguarding Information –

anyone within our parish communities who works with children, elderly people or vulnerable adults is required by law to have a DBS certificate, which needs to be renewed from time to time. Many people who already have them should check to see if they are out of date or about to be and those who have kindly offered to help in various capacities last weekend, will also need a certificate. Our safeguarding Officers, Nadine Baxendale and Maria Beck do wonderful work for us and we all appreciate their professionalism and devotion. They will be holding a 'surgery' shortly when you may come and renew your certificate or obtain one for the first time. In the meantime, please check your DBS form and respond to the emails you may have been sent reminding you of this. For more information, you may contact Nadine on 617818

Cyclone in Africa – we will all have seen the pictures of the devastating cyclone that has hit Mozambique and Zimbabwe in the last week, which has affected more than 2.6 million people. The Disasters Emergency Committee, which brings together 14 leading UK aid agencies, including CAFOD, have set up an appeal for us to help, and the government has promised to match every £1 donated up to £2million. Accordingly, we will have a retiring collection next Sunday to enable us to support the relief work. Cheques may be made payable to the DEC.
