**The extension to our church** – we are all aware of the plans that have been in place for the last few years to extend our church at the front in order to enable people to gather safely before and after Masses and so that the work to reach out to people in need both near and far can take place in a warm and dry space. There were also serious health and safety issues regarding the fact that the four main doors from the interior of the church funnel into two doors, which normally would not be too much of a problem but given large events like the funeral last Monday and our slowly increasing Sunday congregation have become a significant issue, which we can no longer ignore. Much of the project was interrupted by the pandemic but we have patiently and professionally proceeded to the present situation. Last Wednesday, our Finance Committee voted unanimously to accept one of three tenders to undertake the work and this will now be submitted to the diocese for ratification. Once this hopefully has happened, we can then proceed to working out how and when the work can take place, maybe even over this coming summer and sorting out what modifications need to be made to ensure safe access to our church. A very sincere thank you to Andy Page, our surveyor, and his son Daniel, the architect, for their tireless and generous work in bringing the project to its present stage, and we all hope that we can move forward together to produce a building that is suitable for our purpose in the coming years. It is important that you all know the progress that has been made to this stage, rather than finding out from elsewhere, hence our statement today. Much has to happen yet and there are a lot of hoops to jump through but we all hope and pray that we can bring the project into being in the near future.

**Thank you** – to everyone who played any part in arranging the beautiful funeral for Mrs. Sellars last Monday, and also to all those who quietly come to help with reading, welcoming and preparing the church for any celebration whatever that might be. Your kindness and faithfulness are much appreciated. Thank you also to those who returned CAFOD boxes and to parishioners who supported our young people to the tune of £1,016 in their 'sleep out' last weekend.

**Retiring Collection** – this weekend for the Clergy Formation Fund, with apologies for the envelopes being marked with the wrong date last weekend!

**First Communion families** – meet on Monday at 6.15pm in Earl Shilton. Please be sure to come along as we are getting near to the celebration.

**Children's Liturgy Group** – meets on Friday at 3.45pm to prepare next Sunday's 9.45am Mass – all primary school children welcome.

**Baptism Preparation Course** – Saturday April 27<sup>th</sup> 2.00-4.00pm. Please see Marina, Richard or Jo beforehand if you wish to come. Once the course has been completed the baptism ceremony may be arranged

**Missionary Appeal** – next weekend in aid of the Sisters' Missionary Committee. We are required to have a missionary appeal every year, so thank you for your support and also to those people who have 'Missio' boxes in their homes which raised £1068.74 last year.

**Parish rotas** – we are anxious to encourage more people to take an active part in the life of our community. Please think if you could offer your services on a rota basis to read at Mass, clean the church, count the collection, make refreshments after 9.45am Mass or help with flowers. This is an important way of involving ourselves in the life of our community and it was particularly sad to see on Easter weekend that for the first time ever no one appeared to help with the party after the Vigil which had to be cancelled or the refreshments after Mass on Easter Sunday. Please see one of your priests or Marina if you can help.

### Funeral Mass for Dick

**Brocklehurst** – will take place on Thursday May 9<sup>th</sup> at 12.30pm and his body will be brought into church on Wednesday 8<sup>th</sup> at 4.30pm. As a mark of gratitude to Dick for his long and devoted service to our parish community, we have offered to arrange the catering in our parish centre after the Mass and so if you would like to help, please see Marina or Fr. Frank
