A great milestone – next Saturday is the 265th anniversary of the foundation of our community by Fr. Tom Norton – a wonderful occasion. On Sunday in Earl Shilton, there will be a barbecue and celebration immediately after the 11.30am Mass, so please let Cathy Underwood know if you are coming on 07828 489159

First Communion 2024 – sincerest thanks to everyone who played any part in the beautiful celebrations last weekend. This weekend, the children will be at our Sunday Masses all dressed up to receive their certificates, so we will be able to congratulate them and their families ourselves.

75th Anniversary of St. Martin's School – is being marked at the end of the week with a visit from our bishop on Thursday for Mass and an Open Day for all-comers on Saturday from 11.00am-3.00pm, to which you are all invited.

Retiring Collection – next weekend for Peter's Pence – the upkeep of our Pope

Parish Summer Fair – will be taking place on Saturday July 6th from 11.00am-2.00pm and we hope to involve as many people as possible to make it a great day. Raffle tickets will be available for sale or to sell from this weekend and the parents of each child in our school will be sent a book to two to sell on our behalf. Goods may be brought in from next weekend and we are particularly looking for cakes, which may be brought on the day. Help with the gate will be especially necessary, given the parking situation we now have, so please sign the list on the outside door of the centre as you leave church if you can help.

Strawberry Tea – for our retired and housebound parishioners organized by our First Communion parents will take place the next day from 3.30pm in the centre. and maybe even outside. Please return your invitations as soon as possible to help with catering. We hope these two events will be a lovely way of beginning our summer holidays.

General Election 2024 – Bishop John Arnold, lead bishop on the environment, has written to the party leaders on the occasion of the forthcoming general election and here is an extract from what he says: "A general election is a very important time for reflection about the future direction of our country, and I would like to take this opportunity to bring to your attention the views of the Catholic Bishop's conference about the environment. Pope Francis has inspired us to take action on this matter, and many people will be taking environmental issues seriously in the election. The challenge of climate change is urgent and its effects are already being felt across the world often affecting the most vulnerable communities who have contributed least to the crisis. It can only be addressed by global co-operation together with support for those countries less able to afford a transition away from carbon intensive fuels...If this is not addressed, policies on the economy, housing and poverty will all be undermined by the physical impact of climate change. I would like to ask whether, if your party forms or participates in the next government, you will adopt credible policies to reduce net carbon emissions to zero by 2050 and also ensure that the UK government assists poorer countries to meet their targets and obligations. I would like to ask whether a government led by your party will provide clear international leadership in the global endeavour to reduce carbon emissions."

"Broken to be shared" – is the title of a short book tracing the developments in the care of people living with dementia and those who look after them since the end of the pandemic. It is on sale from this weekend at £2 a copy and we hope it will be useful to you all.

"A Place of Honour" – an apology – you may remember our New Year play in January which delighted a lot of people who came to see it. Sadly, I forgot to mention about DVD recording of the presentation which Mark Rowley has kindly put together for us. It is available to order at £5 a copy or if you wish to have it on a special USB stick that will be £7 each. Place your order with the money (cheques made payable to St. Peter's RC Parish) in a clearly marked envelope and hand it in to the priests or the Priory and we will do our best to process it for you.
