If you are unable to fulfil these responsibilities during the next month please arrange a swap with someone else

A very sincere 'thank you' – as our schools close this weekend for the holidays the time has come to say 'thank you' not only to our teachers and support staff, but to all those who give their time free of charge to enable the schools to function properly, particularly our unsung 'heroes', the school governors, and those who help with the necessary functions and activities necessary to keep everything going. Thank you also to everyone who helps in our parishes so faithfully each week, preparing liturgies, cleaning, visiting, taking out Holy Communion to our many housebound parishioners and of course to you all for keeping us going financially. The statement of accounts for our parish is available for you to collect and inspect this weekend. In the autumn we will be having a major project to engage and involve more people in the running of our communities, as the burden is becoming heavier in particular for our priests and pastoral teams. We want to concentrate specifically in ensuring that our international groups can take more of an active part in our spiritual and social lives beginning with a very special occasion – the Saturday evening Mass on Saturday October 19th, which we hope will be led by our Polish communities, as it is the 40th anniversary of the murder of Blessed Jerzy Popieluszko, the 'martyr for the truth', whom we will be hearing more about in this newsletter during the summer. If you feel, therefore, that you can help our communities in any capacity as we move forward, please see one of the priests.

Thank you also to those who organized a very inventive Summer Fair last weekend, which raised over £2,250 to be shared between the parish and the school PTF, and to our First Communion parents for a truly brilliant Strawberry Tea on Sunday – the atmosphere was marvellous. We hope you will all have a good holiday and rest. If any family might want to use the parish field for picnics or games during the summer since many other 'attractions' are very expensive, please let us know this weekend so that it can be arranged.

Retiring collection this weekend for the Apostleship of the Sea. You may take an envelope and Gift Aid your donation if you wish.

Talk to Earl Shilton Ladies' Circle – our Ladies' Circle in Earl Shilton invite us to join them and a guest speaker for an evening on the life and times of Wallis Simpson, wife of Edward VIII and later of course, Duchess of Windsor. This informative talk and slide show will be followed by tea, coffee, cakes and a raffle. Please come along and join us in the parish hall on Tuesday this week at 7.00pm. Admission is £3 a head and includes refreshments.

Helping the NHS – during the course of July funds are being raised to provide facilities the NHS needs but is unable to afford. Our Developing World Group and friends have chosen to support the appeal by Coventry & Warwick Hospital to build a much needed bereavement suite in their new Neo-Natal Clinic. We will be selling cakes at the Friendly Club on Wednesday July 24th and after Masses on the weekend of July 27/28. Your support will be very much appreciated.

Don Bosco Group – good news! –

Our Don Bosco Group for young people aged 8-14 will be re-starting on Monday September 9th at 6.00pm-7.45pm. This group has been in existence for many years as a way of gathering children and young people and their friends together for sport, crafts, and games. The group has leaders with safeguarding qualifications and welcomes support from parents. We invite parents to come with their children on our first night for a taste of the group's activities and in the meantime, for more information please contact Andy Blower on 07900 428209 or Julie Townsend on 07946 421019.

Mass Intentions – We have now almost completely run out of Mass intentions. If you would like to have a Mass said for your intentions or in memory of a deceased person, please hand it in to the Priory on a clearly marked envelope and we will say it as soon as possible.
