A very sincere thank you to the priests who have looked after us during the holiday period – much appreciated

A Martyr for the Truth – extract from the sermon of Fr. Jerzy Popieluszko at St. Stanislaw Kostka Church, Warsa "Durquestion: What is truth? For a Christian, the answer is simple. It was given to us by the same

Christ, when He described Himself, saying: 'I am the Way, the Truth and the Life'. Lies never soiled His lips. He gave His life for the truth which He proclaimed without fear. Truth is a very subtle property of the human mind. To aim for the truth is to follow a call planted in us by God, So it is natural for every man to follow the truth and abhor lies. Truth is always associated with love, and true love is self-sacrificing. So it exacts a high price at times. The truth that does not cost anything is tantamount to a lie. To live in the truth is to live in harmony with one's own conscience. When it comes to easy superficial propaganda - 'truths imposed by force' - we must not accept it and never give our assent to it. We must learn how to tell the truth from lies. It is not easy today, bearing in mind that for decades the poisoned seed of lies and atheism have been sown officially in the soil of Poland. It does not serve the cause of truth to persistently blacken and throw bad light on everything achieved by 'Solidarnosc', to try in various ways to efface even the very trace of its existence. It does not serve the cause of truth to send people to prison for their beliefs. If the leaders of 'Solidarnosc' and some of our other brothers were really imprisoned for lies and wrongdoing, would the Church defend them with so much care and effort? Would the Church insist on their release? It does not serve the cause of truth to oppress people and to make shows of force. We must be afraid of only one thing in life - betraying Jesus for the few silver coins of barren peace. It is not enough for a Christian to condemn evil, cowardice, lies, use of force, hatred and oppression. He must at all times be a witness to and defender of justice, goodness, truth, freedom and love. Let us keep this in mind, day in, day out that when we demand truth from others, we ourselves must live the life of truth. When we demand justice, we must show justice to our neighbours. Demanding courage and valour, we must practice courage and valour in our daily life."

Saturday October 19th is the 40th anniversary of Fr. Jerzy's murder. We will be marking it during the evening Mass that day and by showing the DVD of the play about him, "Ksiadz", which was presented here in 2011, the next day in the centre at 5.00pm. If any Polish members of our community would like to be involved in the planning of the event, please see Marina today and we will be having a brief meeting of anyone who wants to help on Sunday September 1st at 6.00pm in the Mary Forrivan Centre.
